

The Carrington

2,639 Square Feet

The Carrington is a spacious 2-story home with a full basement. The home's charming features include a covered front porch, a formal living and dining room, a grand master suite, and a tremendously large eat-in kitchen. There are also 4 bedrooms plus a generous sized loft, several walk-in closets, 2 ½ baths and a 2-car attached garage to complete the home's functionality.
