

The Silverado

1,493 Square Feet

The Silverado is an attractive ranch home that features 3 bedrooms or optional den with 2 bedrooms. The foyer leads to the cozy great room that is sure to be the hub of family activity. On either side of the great room, you will find a large, bright kitchen with a walk-in pantry and a quiet, private master bedroom with an expansive walk-in closet and full bath. The delightful home also features another full bath, optional volume ceilings throughout, a 2-car attached garage and a basement.
